PETER WALSH & ASSOCIATES LTD

Assistant General Manager

Peter Walsh & Associates Ltd (PW&A) a South Island Livestock Company and Peter Walsh & Associates Finance Ltd (PW&AF) require an Assistant General Manager in Timaru.

PW&A operates from Timaru and services the South Island through 38 strategically placed Brokers. Our business revolves around the traditional values of honesty, integrity and hard work.

The successful applicant may have a degree in Agriculture, Finance or Management, with experience in livestock farming definitely beneficial. You must bring a positive approach and a willingness to provide customers and clients the ultimate in livestock service.

On a professional level you may have:

- Experience managing / supporting or leading sales staff, developing budgets and setting sales targets within sales campaigns
- Experience in recruiting and retaining staff as well as developing / managing KPI's
- Experience in creating and analysing reports as required

As an Assistant General Manager you will be mentored by the General Manager and in the longer term be available to step up in our future succession plans.

This highly challenging, yet hugely satisfying position will be supported by an excellent team of experienced staff.

If you are looking for a rewarding role for your future, don't hesitate to send your resume to Jim Stringleman at j.stringleman@xtra.co.nz

The position is available from January 2018.

Applications Close: 15th September 2017
